

EDUCATORS IN THE WORKPLACE

4 SESSIONS AVAILABLE!

LEARN HOW YOU CAN HELP LOCAL WORKFORCE NEEDS

This unique workshop, offered through a collaboration between local economic developers (Opportunity²) and Indian Hills Community College, provides educators with tools to assure that K-12 students are being taught the essential knowledge and skills as well as guidance to prepare them for the workplace of today and tomorrow. Participants will gain exposure to diverse workplaces in the region, meet industry leaders, and develop an understanding of current and future workforce trends and job-seeking skills needed.

AUDIENCE EXPERIENCE

Participants will experience two days of tours and presentations at area businesses and industries, focusing on the future content of technology and the needs of the changing workforce.

TARGET AUDIENCE: K-12 teachers, counselors and administrators are encouraged to attend.
