

Does the student have transition needs in living, learning and/or working that will extend beyond the 4th year of high school (will student continue to have an IEP)?

YES

The IEP team will decide on the best 4+ placement option

Will the student go on to college?

YES

The student meets one or more of the following criteria for sending a student to a 4+ program on a community college campus (IEP continues):

- The student will go on to college, but her or his learning characteristics and generalization skills necessitate time in the actual setting to be successful.
- The student will go on to college, but needs to learn specific study/accommodation skills in the actual setting.
- The student may not be successful independently at a college setting, but with support he/she will gain specific career and technical skills that will provide for a stronger employment outcome.
