

Great Prairie AEA Board of Directors

Great Prairie AEA is governed by a nine-member Board of Directors. Each Board member is elected by the local school boards they represent. The director districts have been drawn according to population, with each district representing approximately the same number of people in our fourteen-county area.

Great Prairie AEA's Board member must live in the director district they represent. They may be a member of a local school board, but cannot be an employee of the public schools. The members are not paid for their services.
