

Great Prairie AEA Learning Supports

The components of the model are:

- **Academic Instruction Component:** *This component represents the people and functions directly related to the delivery of academic instruction.*
- **Leadership Component:** *The leadership component encompasses those people and functions responsible for the governance and management of the human, material, and financial resources in the education system.*
- **Learning Supports Component:** *A wide array of education personnel work with families and community partners to ensure that students succeed in school. Their efforts support classroom teachers and instruction by promoting healthy development and working to alleviate barriers that interfere with learning and teaching.*
